ASSOCIATION OF
ARCHITECTS

The Architects' Association of Prince Edward Island (AAPEI), the Architects' Association of New Brunswick (AANB) and the Nova Scotia Association of Architects (NSAA) are pleased to invite all Architects/Firms licensed with the AAPEI, AANB and NSAA during the eligibility period to participate in the competition for the 2018 Maritime Architectural Design Excellence Awards.

ABOUT THE AWARDS

Every two (2) years, AAPEI, AANB and the NSAA will recognize and celebrate architectural design excellence in our Maritime region. This tri-provincial event will provide an opportunity to foster the value architecture brings in our daily lives and showcase the best the Maritime region has to offer.

OBJECTIVE

The objective of the Award is to recognize, celebrate and showcase outstanding architectural design excellence by Architects for projects completed in the Maritime Provinces.

ELIGIBILITY

Projects in Prince Edward Island, New Brunswick and Nova Scotia substantially completed between January 1st, 2013 and December 31st, 2017 are eligible to be submitted. Projects which are not substantially complete will not be adjudicated.

Submissions must be designed by Architects/Practitioners licensed in good standing with AAPEI, AANB or NSAA during the eligibility period. Completed projects may be of any size, "public" and "other" categories may or may not be a building.

Architects/firms in joint-venture projects must all be licensed within the project jurisdiction. For example, a joint-venture project in New Brunswick must have all parties licensed with the AANB to be eligible. All other joint-venture scenarios are NOT eligible. It is the submitter's responsibility to ensure they have provided the correct credit and proof of authorship.

Post 2018, non-winning submissions are permitted to be resubmitted however, a submission can only win one Award in one Category.

SUBMISSION CATEGORIES

Submissions must fall into the following four categories:

1. Single / Multi-Family Residential.
2. Commercial.
3. Public / Institutional.
4. Public outdoor spaces, etc.

A project can only be submitted in one Category. The Jury reserves the right to re-define the Category for which a project is submitted.

DEADLINES

Intent to Submit Forms and Fee: Wednesday, January 31st, 2018

Deadline for Panel Submissions: 4:00p.m., Monday, March 26th, 2018

AWARDS

This competition will result in the awarding of one Maritime Architectural Design Excellence Award in each category. In addition, up to two Awards of Merit in each category may be conveyed.

JURY

The jury will consist of three individuals selected by the AAPEI, AANB and the NSAA and will include representation from national and international perspectives. All project submissions will be pre-screened to ensure conformance with the submission criteria prior to being judged. The decision of the jury will be final.

AWARD ANNOUNCEMENT & EXHIBITION

The inaugural Award will be presented at the 2018 RAIC/AANB Festival of Architecture and AANB Conference being held in Saint John, New Brunswick. A digital magazine will be created showcasing all projects submitted.
